# ABOUT IGNITE LEARNING LAB

In a world driven by technology, Ignite sparks change for Nepal's youth. We bridge the widening skills gap with innovative programs in tech and luxury services. Led by experienced professionals, Ignite equips you with future-ready skills for global careers. World-class facilities, renowned faculty, and personalized training empower you to thrive. Ignite is more than just a training institute; it's a launchpad for your dreams. Our state-of-the-art facilities provide the perfect environment for learning, while our personalized training ensures you get the individual attention you need to excel. Whether you're looking to kickstart your career, move into a new field, or simply enhance your existing skill set, Ignite has something for you.

## OUR MISSION

"To empower Nepal's youth with cutting-edge training and skills, IGNITE by Agni Group is committed to providing transformative programs in technology, and luxury services preparing them for global success."

## OUR VISION

"Leading Nepal's youth towards a future of boundless opportunities, IGNITE by Agni Group envisions a generation equipped with the skills and mindset to thrive in an ever-evolving world."

An investment in knowledge pays the best interest.

# OUR VALUES

- **INNOVATION:**  
"Ignite" suggests a spark that ignites something new. This translates to a value of embracing new ideas and approaches.
- **GROWTH:**  
The process of igniting something implies a transition from a dormant state to an active one. This translates to a value of continuous learning and development.
- **NURTURING:**  
Just as a spark needs fuel to ignite and grow, Ignite can represent the value of providing the resources and support needed for potential to flourish.
- **INTEGRITY:**  
We uphold the highest standards of integrity, honesty, and ethics in all our endeavors.
- **TRANSFORMATION:**  
The act of igniting something signifies a significant change. This translates to a value of empowering positive and impactful change.
- **EXCELLENCE:**  
A strong flame burns brightly. This translates to a value of striving for excellence in all aspects of Ignite's work

ARJUN SHARMA - Executive Director

## MESSAGE FROM CEO

Nepal's youth deserve opportunity. Traditional education often falls short. Ignite bridges the gap with cutting-edge programs in IT and Luxury Services. We equip you with the skills to lead, innovate, and thrive in the global marketplace. Join us on this transformative journey and let's shape a brighter future - for yourself, for Nepal, and for generations to come.

- Aditya Baran Mallick

## MESSAGE FROM MD

Agni Group's legacy continues with Ignite Learning Labs. Nepal boasts a talented youth population, but unemployment remains a challenge. Our solution? Meticulously designed programs in IT and Luxury Services. Gain the future-ready skills employers seek and launch your career. Together, let's ignite the skills and potential within Nepal's youth, illuminating a path to a brighter future for both individuals and our nation.

- Cabinet Shrestha

# EXISTING GAPS IN MANAGEMENT SCENARIO

- **PREPARING FOR INTERNATIONAL CAREERS:**  
Many management programs lack a focus on the global business landscape, intercultural communication, and international leadership.
- **FINDING LOCAL AND INTERNATIONAL PLACEMENT:**  
Graduates might struggle to find opportunities that match their skills and career aspirations, especially in a global market.
- **LIMITED INFRASTRUCTURE AND RESOURCES:**  
Traditional programs might lack access to cutting-edge technology, industry-specific resources, and global connections.
- **FACULTY EXPERTISE:**  
Instructors may not have extensive practical experience or a deep understanding of current industry trends.
- **STANDARDIZED TRAINING:**  
Traditional programs might deliver a one-size-fits-all approach, neglecting the need for personalized development.
- **OUTDATED TEACHING METHODS:**  
Traditional methods may not leverage the latest in adult learning and engagement strategies.
- **HOLISTIC SKILL DEVELOPMENT:**  
Programs often focus solely on technical skills, neglecting essential life skills, communication skills, and career development strategies.

# IGNITE VALUE PROPOSITIONS

*Addressing these gaps, Ignite offers:*

- **FUTURE-GROWTH INTERNATIONAL CAREERS:**

We prepare you for success in a globalized world, equipping you with the knowledge, skills, and experiences to thrive in international management roles.

- **LOCAL & INTERNATIONAL PLACEMENT:**

Our network and career guidance help you find the perfect placement to launch your international career.

- **WORLD-CLASS INFRASTRUCTURE:**

We provide access to cutting-edge technology, industry-specific resources, and global connections for a well-rounded learning experience.

- **GLOBAL & EXPERT FACULTY:**

Our instructors are industry veterans with real-world experience and in-depth knowledge of current trends.

- **INTENSIVE, PERSONALIZED TRAINING:**

We tailor our program to your individual needs and career goals, ensuring an impactful learning experience.

- **SCIENTIFIC & ADVANCED TEACHING METHODOLOGY:**

We utilize engaging and effective teaching methods based on adult learning principles to maximize knowledge retention.

- **HOLISTIC CORPORATE PROFESSIONAL SKILLS TRAINING:**

We go beyond technical skills, focusing on life skills, communication skills, and career development strategies to make you a well-rounded professional.

- **AGNI BRAND VALUE:**

Benefit from the recognition and reputation associated with the Agni brand, giving you a competitive edge in the job market.

*By addressing these existing gaps, Ignite equips you with the skills, knowledge, and network to become a successful international management professional.*
